Silverbrook Association,

he policy for trash containers and landscaping will be enf

:

e sent for trash containers that are visible from the street.
are still visible on the next drive thru, a second notice will be sent to the homeowner.
result in the association hiring someone to place the trash containers into the homeowner's backyar
ash containers in the backyard, the homeowner will be sent the invoice and their account will be bill
y be subject to further collection efforts.

e sent for landscaping that needs to be mowed, weeded or trimmed/edged.
ation is not corrected, a second violation letter will be sent to the homeowner.
esult in the association hiring someone to correct the landscaping violation. If the association has t
sent the invoice and their account will be billed. If the invoice is not paid within 14 days your acco

rash container are placed out of view from the street and your
